Calling for Abolishment of Overreaching Bureaucratic Departments of the Federal Government

Adopted by the Elko County Republican Party in Convention April 14, 2018

WHEREAS, the Elko County Republican Party supports the principles of limited government, less regulation and fiscal responsibility, and;

WHEREAS, the Elko County Republican Party agrees with Thomas Jefferson's statement that "The government closest to the people serves the people the best", and;

WHEREAS, there is an ever-increasing number of federal government bureaucracies wielding control over our prosperity, our lands, our futures, our rights, our families and our lives, and;

WHEREAS, too often, the bureaucrats regulating our existence live and work a continent away from us and do not understand our lives and circumstances;

WHEREAS, these bureaucracies consume resources without significant benefit and cause us to waste our time and money coping with them;

THEREFORE, BE IT RESOLVED that the Elko Republican Party supports abolishment or limitation of overreaching bureaucratic departments of the federal government such as, but not limited to, the Department of Education and the Environmental Protection Agency.
